Half Arabian Futurity Nomination Rules

*Foals of 2006 must be **sired by stallions eligible for the Breeding Season of 2005 and 2006**. Nomination fee \$50.00 due by March 31, 2007. Class entry fee - \$50.00 due August 15, 2007.
All nomination and entry fees will be jackpotted into payback in 2007.

CHARTER AUCTION FUTURITY CLASS IN 2008 - Open to Half-Arabian Foals of 2007

This is a buy in opportunity for mares **currently in foal to nominated stallions**, to foal in 2007. The mare owner may purchase the right to participate in the **AUCTION** Futurity Class of 2008 for \$250, with the fee to be paid by March 31, 2007. No further nomination fee. More than one foal sired by the same stallion may buy in. 75% of the funds generated by this buy-in will be divided between the two classes offered for Auction Yearlings in 2008. 25% will go to the Select Yearling Classes of 2008.

CHARTER AUCTION AND SELECT CLASSES IN 2009

BREEDING SEASON OF 2007 FOR HALF-ARABIANS - *2008 AUCTION FOALS:

Mare owners breeding in 2007 to currently nominated stallions may opt to purchase that stallion's Half-Arabian stud fee for a minimum of half the advertised Half-Arabian fee, such purchase to be made by March 31, 2007. The winning bid will be the highest bid received. Postmark on the submitted purchase (and purchase must be paid in full) determines the winning bid. If the Half-Arabian stud fee is **NOT PURCHASED** by a mare owner by March 31, 2007, the stallion owner has the **OPTION** of purchasing it him/herself for ½ the advertised Half-Arabian stud fee, such option to be exercised by April 30, 2007. Only one (1) auction bid will be accepted for each stallion. Stallion owners are not obligated to purchase this breeding in the Half-Arabian program for yearlings of 2009, but if it is **NOT** purchased, no Half-Arabian foals resulting in 2008 are eligible for nomination to either Half-Arabian Select or Performance Futurity.

BREEDING SEASON OF 2007 FOR HALF-ARABIANS - *SELECT FOALS:

An Auction Breeding must be sold before any foal, whether purebred or Half-Arabian, can participate in the MAAB program, either in the Select Futurity or Performance Futurity. If a Select nomination is sent in for a stallion that is not eligible, the check and form will be returned with a notification of ineligibility.

PERFORMANCE FUTURITY - Nomination is for the lifetime of the horse.

* Weanlings of 2006 sired by stallions on the current approved sires list may be nominated to the **Performance** Futurity for \$150 (same as purebreds)

* Yearlings of 2006 sired by stallions on the current approved sires list may be nominated to the **Performance** Futurity for \$250. (This is an exception to the rule for purebreds, since the Half-Arabian Performance Futurity hasn't existed before)

*From the current date until August 15, 2007, any purebred or Half-Arabian horse sired by a MAAB nominated stallion on the current approved sires list may be nominated to the MAAB purebred and Half-Arabian **Performance** Futurity for \$250. Nominations must be postmarked by August 15, 2007 for this special rate.

* After August 15, 2007, all other age horses (except weanlings) sired by stallions on the current approved sires list may be nominated to the MAAB purebred or Half-Arabian **Performance** Futurity for \$350.

The nomination deadline for nominating 2006 weanlings and 2006 yearlings to the **Performance** Futurity is extended to March 31, 2007. This is a one time delayed nomination opportunity for Half-Arabians only.
